the international trade gateway centre

Nigeria Aviation International Expo and Conference Centre aka NIGAV Expo Centre is located within the Murtala Muhammed International Airport environs along the international airport road by the foot of the new overhead bridge.

This centre is instituted primarily to initiate, promote and host international trade events and aviation development gatherings. With 1000sqm hall, in-house catering and mini meeting rooms, the centre can hold 700 delegates and 100 exhibition booths and open to public use.

In addition to the hall, NIGAV Centre will provide you an admirable flexible event delivery support including production, customization, transport, and catering, printing and packaging, rental and management services to make sure you have a seamless experience.

Plan your future conferences, meetings, seminars, exhibition and campaign with us.
